Gentlemen:

I would appreciate your advising me from whom I can purchase some coins which have been taken from tombs in the "Valley of the Kings".

Respectfully,

Dear Sir:

Responding to your letter of January 30th, I do not know of any coins found in the tombs of the Valley of the Kings in Egypt. Most of these date from a period before the introduction of coinage by the Greeks, that is to say, about the fifth century B.C.

Very truly yours,

Secretary.
